

# Love Will Tell Us Where to Go

Bridgit Mendler

I know exactly how you feel  
It doesn't matter what you say  
I see the sun begin to set  
And we gotta, gotta get away  
I gotta patch of open road  
I already miss you with all of my soul  
So before we both get old  
I think we gotta, gotta get away

I keep wishing of the tickets  
Stack 'em on my wall  
Let's rip them down  
And leave the town before the cops can call  
And bring us back  
Cover our tracks in the dust  
I think we must

Take on the world  
Let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go  
Oh oh oh through a dark night  
Oh oh oh without a sunrise  
Oh oh oh and we will be alright  
Love will tell us where to go  
Love will tell us where to go  
Love will tell us where to go

The wheels on this train keep turning  
We're flying with the birds  
And the world's so bright  
It hurts when we're on the getaway  
I'm the Bonnie to your Clyde  
You're the moon and I'm the tide  
I, I want this for all of my life  
Since the night that we got away

I keep wishing of the tickets  
Stack 'em on my wall  
Let's rip them down  
And leave the town before the cops can call  
And bring us back  
Cover our tracks in the dust  
I think we must

Take on the world  
Let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go  
Oh oh oh through a dark night  
Oh oh oh without a sunrise  
Oh oh oh and we will be alright  
Love will tell us where to go  
Love will tell us where to go  
Love will tell us where to go

When things get rough  
When we have loved  
We've got enough to tell us where to go  
When we get lost  
When love is all, all that we got  
To tell us where to go  
Then we're alright  
We'll be alright  
Love will tell us where to go  
Then we're alright  
We'll be alright  
Love will tell us where to go

Take on the world  
Let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go  
Oh oh oh through a dark night  
Oh oh oh without a sunrise  
Oh oh oh and we will be alright  
Love will tell us where to go  
Love will tell us where to go  
Love will tell us where to go
