## More Than a Band

## **Bridgit Mendler**

I can't pretend To know how you feel But know that I'm here Know that I'm real

Say what you want Or don't talk at all I'm not gonna let you fall

Reach for my hand 'Cause it's held out for you My shoulders are small But you can cry on them too

Everything changes But one thing is true Understand We'll always be more than a band

Yeah yeah yeah yeah

You used to brave the world All on your own Now we won't let you go we're going along

Be who you wanna be Always stand tall Not gonna let you fall

Reach for my hand 'Cause it's held out for you My shoulders are small But you can cry on them too

Everything changes But one thing is true Understand We'll always be more than a band

I never knew you could take me so far I've always wanted to hope that you are The ones I need

Reach for my hand 'Cause it's held out for you My shoulders are small But you can cry on them too

Everything changes But one thing is true Understand We'll always be more than a band

Reach for my hand 'Cause it's held out for you My shoulders are small But you can cry on them too

Everything changes But one thing is true Understand We'll always be more than a band
