

Somebody

Bridgit Mendler

Can you see me?
'Cause I'm right here
Can you listen?
'Cause I've been trying to make you notice
What it would mean to me
To feel like somebody
We've been on our way to nowhere
Tryin' so hard to get there

And I say, oh
We're gonna let it show
We're gonna just let go of everything
Holding back our dreams
And try to make it come alive
Come on let it shine so they can see
We were meant to be
Somebody (somebody)
Somebody, yeah (somebody)
Somehow
Someday
Someway
Somebody

I'm so tired
Of being invisible
But I feel it, yeah
Like a fire below the surface
Trying to set me free
Burnin' inside of me
'Cause we're standing on the edge now
It's a long way down

But I say
Oh, we're gonna let it show
We're gonna just let go of everything
Holding back our dreams
And try to make it come alive
Come on let it shine so they can see
We were meant to be
Somebody (somebody)
Somebody, yeah (somebody)
Somehow
Someday
Someway
Somebody

We will walk out of this darkness
Feel the spotlight glowing like a yellow sun
Oh oh oh oh oh and when we fall we fall together
Till we get back up and we will rise as one, oh, oh ,oh

Oh, we're gonna let it show
We're gonna just let go of everything
Holding back our dreams
And try to make it come alive
Come on let it shine so they can see
We were meant to be

Somebody (somebody)
Somebody, yeah (somebody)
Somehow
Someday
Someway
Somebody
Somebody
Ooh ohh oh
