Somebody

Bridgit Mendler

Can you see me? 'Cause I'm right here Can you listen? 'Cause I've been trying to make you notice What it would mean to me To feel like somebody We've been on our way to nowhere Tryin' so hard to get there And I say, oh We're gonna let it show We're gonna just let go of everything Holding back our dreams And try to make it come alive Come on let it shine so they can see We were meant to be Somebody (somebody) Somebody, yeah (somebody) Somehow Someday Someway Somebody I'm so tired Of being invisible But I feel it, yeah Like a fire below the surface Trying to set me free Burnin' inside of me 'Cause we're standing on the edge now It's a long way down But I say Oh, we're gonna let it show We're gonna just let go of everything Holding back our dreams And try to make it come alive Come on let it shine so they can see We were meant to be Somebody (somebody) Somebody, yeah (somebody) Somehow Someday Someway Somebody We will walk out of this darkness Feel the spotlight glowing like a yellow sun Oh oh oh oh and when we fall we fall together Till we get back up and we will rise as one, oh, oh ,oh Oh, we're gonna let it show We're gonna just let go of everything Holding back our dreams

And try to make it come alive Come on let it shine so they can see We were meant to be Somebody (somebody) Somebody, yeah (somebody) Somehow Someday Someway Somebody Somebody Ooh ohh oh
