

Little Locket

Brighten

Hold me little locket on the floor
You're the only one who still wants me around
If I tell you let me go
Tell me sorry no, you are home
I am home

It belonged to her heart, I'll give it back
If I can't, it was never meant to be
If I try and reach the end, I will never try again
I will go
I will go

Ohh, I will come for you
Ohh, I will come for you

There's a fire in your heart, don't let it out
You're just the way I prayed that you would be
I will not apologize for the fire in my eyes
Oh, will you put it out for me

Ohh, I will come for you
Ohh, I will come for you

Ohh, I will come for you
Ohh, I will come for you
