

# Love Me Honestly

Brighten

Hold your breath, little lungs  
The tide is holding us beneath  
I am the sky and you are the sea  
You are the one who colors me

Oh, I bet I'll never know  
(The one who colors me)  
I bet we'll never know

We've got each other figured out  
Whoa  
We've got each other figured out  
So what do we do here?  
So what do we do here?

Well, bless your soul  
I can tell by the pretty way you look at me  
I'm not leaving you  
I bet we'll never know  
You can tell your eyes anything you want to  
I'm not seeing through

Love, love, love me  
Love me patiently  
Love me honestly  
Love, love, love me  
Love me baby

So what do we do here?  
So what do we do here?  
And now my fear of love is far too much  
Is gone in you, my dear  
So what do we do here?  
And now you're coming around
