

# Whoever You Are

Brighten

I'll sing a song for you  
Cross the world for you  
Name every shining star for you  
My darling dear

I'll build a house for you  
Catch that mouse for you  
Be every girl's dream for you  
You'll know it's clear

I'll be a man for you  
I'll talk a stand for you  
I'll hold your hand for you  
When you get out the car

I'll do what I'm supposed to do  
I'll brag and boast of you  
Once I find you  
Whoever you are

My eyes cry for you  
My heart dies for you  
My, how time flies for you  
When you're around

I'll love both sides of you  
I'll feel obliged to  
Do whatever I must do  
To keep you around

I'll make a life for you  
Oh baby, I'll die for you  
I'll make a wife of you  
I'll hold your heart

I'll never grow tired of you  
I'll walk across the fire for you  
Once I find you  
Whoever you are

Baby close your eyes  
Do you see me?  
Do you believe me?  
Wherever you are

I'll be waiting  
Just to see you  
And know that me and you  
Were never apart

Whoever you are
