Unspoken

Brightwood

Hidden pieces of my heart Wait alone for only you And I sit silent for a while But time is nothing When its you on the line

And some day I'll tell you What you mean to me I'll tell you I love you and give you all of me And one day I know I'll find the words to say I'll tell you I love you and all will fade away

Simple patience Effortless pain Circumstances get in the way But If you're willing to give me a chance I'll make this promise to save this dance

And someday I'll tell you What you mean to me I'll tell you I love you and give you all of me And one day I know I'll find the words to say I'll tell you I love you and all will fade away

You will die I'll try You will die And touch the sky
