

# Happy Song

## Bring Me the Horizon

S.P.I.R.I.T.  
Spirit, let's hear it  
S.P.I.R.I.T.  
Spirit, let's hear it  
Let's go!

I've had enough  
There's a voice in my head  
Says I'm better off dead

But if I sing along  
A little fucking louder  
To a happy song  
I'll be alright

You want to give up  
Gave it all that you've got  
And it still doesn't cut

But if you sing along  
A little fucking louder  
To a happy song  
You'll be just fine cause'

Every now and again we get that feeling  
And the great big void inside us opens up  
And I really wish that you could help  
But my head is like a carousel  
And I'm going round in circles  
I'm going round in circles

S.P.I.R.I.T.  
Spirit, let's hear it  
S.P.I.R.I.T.  
Spirit, let's hear it

We are possessed  
We're all fucked in the head  
Alone and depressed

But if we sing along  
A little fucking louder  
To a happy song  
Maybe we'll forget cause'

Every now and again we get that feeling  
And the great big void inside us opens up  
And I really wish that you could help  
But my head is like a carousel  
And I'm going round in circles  
I'm going round in circles

Don't wake us up, we'd rather just keep dreaming  
Cause' the nightmares in our heads are bad enough  
And I really wish that you could help  
But my head is like a carousel  
And I'm going round in circles

I'm going round in circles

The world has coalesced  
Into one giant mess  
Of hate and unrest

So let's all sing along  
A little God damn louder  
To a happy song  
And pretend it's all ok

Let's go!

So let's sing along  
Let's sing along  
A little fucking louder  
A little fucking louder  
Well, don't you feel so much better?

S.P.I.R.I.T.  
Spirit, let's hear it  
(Well, that's the spirit!)

S.P.I.R.I.T.  
Spirit, let's hear it  
(Yeah, that's the spirit!)
