

It Was Written In Blood

Bring Me the Horizon

Goodbye my friend, goodbye
My love, you're in my heart
It was preordained that we should part
We're united by and by, united by and by
Goodbye
No handshake to endure, there was nothing

It was written in blood
It was written in blood
It was written in blood
Oh god, written in blood
It was written in blood
It was written in blood
Oh my god, it was written in blood

Inside no sadness, for a prowl
There's nothing new in dying now
Let's have no sadness, furrowed brow
There's nothing new in dying now

Though living is no newer
No, living is no newer
And it was written in blood

It was written in blood
It was written in blood
It was written in blood
Oh my god, it was written in blood
It was written in blood
It was written in blood
Oh my god!
It was written... in blood
On a suicide note

Like roses, we blossom then die
Like roses, we blossom then die
Like roses, we blossom then die
We fall apart (die)
We fall apart (die)

Like roses, we blossom then die
Like roses, we blossom then die
We fall apart
We fall apart
Like roses
We've fallen apart, fallen apart

Though living is no newer
No, living is no newer
And it was written in blood

It was written in blood
On a fucking suicide note
the day before he died

It was written in blood
It was written in blood

It was written in blood
My god, written in blood
It was written in blood
It was written in blood
Oh my god!
It was written... in blood

Like roses, we blossom then die
Like roses, we blossom then die
We've fallen apart (Fallen apart!)
We've fallen apart (Fallen apart!)
Fallen apart
We've fallen

These roses, white roses
Roses
My roses
White roses
