

# The House of Wolves

## Bring Me the Horizon

Show me a sign, show me a reason to give  
A solitary fuck about your god damn beliefs  
I'm going blind, but one thing's clear  
Death is the only salvation you'll feel

Brick by brick by brick...  
Brick by brick by brick...

What you call faith, I call a sorry excuse  
Cloak and daggers murder the truth  
The bitter taste, there's no fake ills  
I'll bow for your king when he shows himself

Brick by brick by brick  
These walls begin to cave in  
The house of wolves you built  
Whispers in a thousand tongues

Show me your face, show me a reason to think  
My soul can be saved if I sell you my sins  
I'm going blind, but one thing's clear  
Death is the only salvation for me

Brick by brick by brick  
These walls begin to cave in  
The house of wolves you built  
Whispers in a thousand tongues

(The house of wolves you built)  
(The nest of wolves you built)

The house of wolves you built  
Will burn just like a thousand suns

When you die, the only kingdom you'll see—  
Is two-foot wide and six feet deep!

Yeah!

And when you die, the only kingdom you'll see—  
Is two-foot wide and six feet deep!

And when you die, the only kingdom you'll see—  
Is two-foot wide and six feet deep!

Brick by brick by brick...  
Brick by brick by brick...

Brick by brick by brick  
These walls begin to cave in  
The house of wolves you built  
Whispers in a thousand tongues

Brick by brick by brick  
These walls begin to cave in  
The house of wolves you built  
Will burn just like a thousand suns

You said you want me?  
Now I'm here, now I'm here, now I'm here!  
You said you want me?  
Now I'm here, now I'm here, now I'm here!
