

## On The Wall

Brisco

She wanna get it so she do me all up on the wall  
She wanna get it so she do me all up on the wall  
I wanna get it so I do her all up the wall  
I wanna get it so I do her all up the wall

Yeah I be that n-gga brisco  
When I come through they know I'm known to ball  
She sippin' Nuvo while I'm puffing got them on the wall  
Got the spliff Hands on the handle bars  
Hop in with the top back now I'm in the lane, bowling ball  
Ha, I might be going about one hundred miles  
Sippin' on that Henny in the 'ghini I be going hard  
She like don't leave me papa  
I'm not a G but I'm here you ever need me need me

I do her all up on the wall  
Shawty done forgot her draws  
Check the bathroom and bye bye I'm a beat her in the stall  
Everybody on the wall  
And we on that alcohol  
Sh-t can happen, clap clappin' round of applause  
Ha, I might be going about one hundred miles  
Sippin' on that Henny in the 'ghini I be going hard  
She like don't leave me papa  
I'm not a G but I'm here you ever need me need me

I'm under her arrest my hands completely cuffed  
She always in control,  
I know she like it rough  
Never let her fuss Never try to call her phone  
Just hit her with a text to let her know it's on  
Throw her all up on the wall  
Now I'm up on her fanny  
She probably South Beach  
Fountain blue Miami  
I know she want get it  
And I'm so quick to get it  
I always pull her hair  
And ask her how it feel  
Uhh, Brisco
