

# I Can Make You Love Me

British India

If you're reading this then that means that I am dead  
What was the last thing that you told me?  
The night is over but I still have a place to go  
No one else but I will be there

Walking by myself with a funeral in my head  
I hope you're happy what you're doing  
You know how that they say  
you cant help but love the dead  
That's exactly where I'm heading

And I can make you love me  
And I can make you love me

You wanna fight fight fight fight fire with fire  
You're gonna burn down  
Youre gonna fall in love with my (woeful?) eyes  
You're gonna hate the way you left me behind

And I can make you love me  
And I can make you love me

And I can make you love me  
And I can make you love me

Whoa whoa whoa whoa-o  
Whoa whoa whoa whoa-o  
Whoa whoa whoa whoa-o
