And when you're all alone And bitching down the phone I'll cut you to the bone because I don't need you So get behind me and You'll be the only one You'll be the only one

When you were seventeen You wrote down all your dreams But don't know what they mean now I'll show you So get behind me and You'll be the only one You'll be the only one

And outside 109 They're felling good I'm felling fine I sacrificed all my time on you Outside 109

Outside 109

It wasn't supposed to be like this She said as she looked up It wasn't supposed to be like this no
