## **A Wooden Horse**

## **British Sea Power**

When wooden horses were in use I would have built one And left it for you

Yeah but I wanted to know
Yeah I wanted to know
How much are you?
How much are you?
How much are you?
How much are you?
Yeah I wanted to know
Yeah I wanted to know

Oh bring it in and let us see it
Oh let us see it
Oh bring it in and let us see it
Oh let us see it

Oh bring it in And let us see it

A token heir means nowt in the hills I swear I'm ready Ready to kill

Yeah I wanted to know Yeah I wanted to know

Oh bring it in and let us see it Let us see it Oh bring it in and let us see it Let us see it

Oh bring it in Oh bring it in Bring it in Bring it in
