

Apologies to Insect Life

British Sea Power

Oh Fyodor you are the most attractive man
Oh Fyodor you are the most attractive man I know,
Your Russian heart is strong and has been bleeding for too long

Oh my Lassie, it's like bad acid
It's getting nasty, she knows

Gymnastic-whores -down-on -all-fours -with- septic-
pores -and -fucked-up-
bores-I- would-like -to-give -you-more- molasses

Oh Molasses, its like bad acid
It's getting nasty, she knows

She knows

Apologies to insect life, what I did was not very nice -
(Remaining words incomprehensible for now.....)
