

## Hail Holy Queen

British Sea Power

I'm at your feet  
I'm at your command  
Hail holy queen of the sea

You're whirling in rags  
You're vast and you're sad  
Hail holy queen of the sea

I'm at your feet  
I'm at your command  
Hail holy queen of the sea

The terrified stillness  
You know what I mean  
Hail holy queen of the sea

The sweet annihilation  
Of all you need  
Hail holy queen of the sea

I'm at your feet  
I'm at your command  
Hail holy queen of the sea
