

Heavy Water

British Sea Power

Did you see the heavy water fall
Out of over-laden skies?
Did you see the heavy water fall
From the heavens and your eyes?
Did you see the heavy water fall
Don't you think it's kind of strange?
Did you see the heavy water fall
Do you think that it means change?

Sometimes I
I think that we're on the wrong side
I think that it's obvious
I
I think that we're on the wrong side
I think that it's serious
I
I'd love to see you try again

Everything was forever
Until it is no more

Did you see the heavy water fall
Out of over-laden skies
Oh I
I'd love to see you read
Without moving your lips
So let's have sport for all
State-aided sylvan trips

Sometimes I
I think that we're on the wrong side
I think that it's obvious
I
I think that we're on the wrong side
I think that it's serious
I

I think that it's serious
I
I'd love to see you
I'd love to see you
I'd love to see you try again
I'd love to see you
I'd love to see you
I'd love to see you try again

Did you see the heavy water fall
From the heavens and your eyes?
