

Monsters Of Sunderland

British Sea Power

One thing that you must understand
We are the monsters of Sunderland
Sea burn to the burning sea, Darwinian animosity
Well we just might as well get on with it
Elevate me higher, please
Elevate me higher, please
Elevate me higher
Elevate me higher
Elevate me higher, please
Eroica! Eroica!
Two fingers raised up towards thee
Don't tell me what will be will be
Tall man Roker park broken in the dark
Oh well we might as well get on with it
Elevate me higher
Elevate me higher, please
Elevate me higher, please
Elevate me higher
Elevate me higher
Elevate me higher, please
Eroica! Eroica!
On the metro succumb savagely
Till we succeed outrageously
It's all computational
It's all educational
How man, how man, how man
How man, how man, how man
Elevate me higher, please
Elevate me higher, please
Elevate me higher
Elevate me higher
Elevate me higher, please
Eroica! Eroica! Eroica!
