

The Spirit of St. Louis

British Sea Power

Come all of ye, sing Louis, Louis
Come all of you, sing Louis, Louis

And do you know his name was Lindy
He flew the spirit of St. Louis

Ah!

We'll raise the spirit of St. Louis
If all of you'd sing Louis, Louis

Come all of ye sing
Come all of ye sing
Come all of ye ah sing Louis, Louis

Ah!

And there's a little trouble in the starboard wing
And a number of stuka's are coming in
Are just coming in

Oh Louis, Louis
Hey Louis, Louis

Hey Louis, Louis
Yeah Louis, Louis

Oh
Louis, Louis, Louis, Louis LOUIS
Louis, Louis, Louis, Louis LOUIS
Louis, Louis, Louis, Louis LOUIS

Louis, Louis
