

All That She Wants

Britney Spears

All that she wants is another baby
She's gone tomorrow, boy
All that she wants is another baby (Yeah)

All that she wants is another baby
She's gone tomorrow, boy
All that she wants is another baby (Yeah)

All that she wants is another baby
She's gone tomorrow, boy
All that she wants is another baby (Yeah)

Needed a fight as an excuse
To get away from me, you've misused
Sit there, make me look guilty
You will leave in anyway
But, with me
You have a career? I can't tell
I train you men so well
No more boosting your egos
Come on, you're smoking, what the hell knows

All that she wants is another baby
She's gone tomorrow, boy
All that she wants is another baby (Yeah)

All that she wants is another baby
She's gone tomorrow, boy
All that she wants is another baby (Yeah)

No more chains that you gave me
Enough of pain, now I'm craving
Something sweet, so delight
How can you men stand sleeping at night?
The silly pattern that I followed
I saw my mama being swallowed
By the one, who she loved
He pulled her down, couldn't see up above
Manipulation was his key
He screwed it in, 'cause she was naive
We're not perfect, we must say
But, now I've got to run away

All that she wants is another baby
She's gone tomorrow, boy
All that she wants is another baby (Yeah)

All that she wants is another baby
She's gone tomorrow, boy
All that she wants is another baby (Yeah)

All that she wants is another baby
She's gone tomorrow, boy
All that she wants is another baby (Yeah)

All that she wants is another baby
She's gone tomorrow, boy

All that she wants is another baby (Yeah)
