

# And Then We Kiss

Britney Spears

Lying alone  
Touching my skin  
I'm falling under  
A girl like me  
And I can't hold it in  
It makes me wonder

Is this for real?  
It's not what it seems  
You're like an angel  
I'm running now  
My feet off the ground

Take me  
Touch me  
Won't you hold me close?

And then we kiss  
Your love comes alive on my lips  
I feel the rush  
Coming over me, over me  
And when we touch  
This moment when everything's still  
I close my eyes  
And then we kiss

The feel of your hand  
As it touches my hair  
It makes me tremble  
Don't wanna let go  
Of the feelings we share  
So baby, go slow

Our hearts beating fast  
And my body cries  
I want it to last,  
This burning inside  
We're getting deeper

Take me  
Touch me  
Won't you hold me close?

And then we kiss  
Your love comes alive on my lips  
I feel the rush  
Coming over me, over me  
And when we touch  
This moment when everything's still  
I close my eyes  
And then we kiss

You're drifting  
The sun comes up  
You're fading  
You seem so far  
I don't know

If I'm awake  
Open my eyes  
And then we  
We kiss...

Take me  
Touch me  
Won't you hold me close?

And then we kiss  
Your love comes alive on my lips  
I feel the rush  
Coming over me, over me  
And when we touch  
This moment when everything's still  
I close my eyes  
And then we kiss

And then we kiss (2x)  
And when we touch  
This moment when everything's still  
I close my eyes  
And then we kiss
