Britney Spears

Top down on the strip
Lookin' in the mirror and I'm checking out my lipstick
Got winds up in the back we're out for a run all night
Feelin' so crazy cool
Bops so right, wonder what they're ready for
Now leave baby heres the keys
We're about to step inside
Skip on the dance head to the floor
Makin' my way and that's for sure
My body's takin over and I want some more Woah yeah yeah

I'll be anticipating
This is our song, they're playing
I wanna rock with you (rock with you)
You're feelin this way
Let's do this tonight

Step up baby don't be shy
I know you're feelin me 'cause you're giving me the eye
And I don't wanna play around
Baby watch me move
Check this lets make a scene
Don't need to wait another
Why you wanna make me long for ya'
Move it baby over here
So we can set it off

We can get down
To the DJ's sound
Feelin so good baby
All around
Feelin kind of naughty come and get me now

Whoa ohm Our yeah!
