

Born To Make You Happy

Britney Spears

I'm sitting here alone up in my room
And thinking about the times
that we've been through
I'm looking at a picture in my hand
Trying my best to understand
I really want to know what we did wrong
With a love that felt so strong

If only you were here tonight
I know that we could make it right

I don't know how to live without your love
I was born
to make you happy
'Cause you're the only one within my heart
I was born
to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born
to make you happy

I know I've been a fool
since you've been gone
I'd better give it up and carry on
'Cause living in a dream of you and me
Is not the way my life should be

I don't want to cry a tear for you
So forgive me if I do
If only you were here tonight
I know that we could make it right

I don't know how to live without your love
I was born
to make you happy
'Cause you're the only one within my heart
I was born
to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born
to make you happy

I'd do anything,
I'd give you my world
I'd wait forever, to be your girl
Just call call out my name,
And I will be there
Just to show you how much I care

I don't know how to live without your love
I was born
to make you happy
'Cause you're the only one within my heart

I was born
to make you happy
Always and forever you and me
That's the way our life should be

I don't know how to live without your love
I was born
to make you happy
I don't know how to live without your love
I was born
to make you happy
'Cause you're the only one within my heart
I was born
to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born
to make you happy
