Can't Make You Love Me

Britney Spears

I'm just a girl with a crush on you

Don't care about money It doesn't give me half the thrill To the thought of you honey So tell me that you want me still If only I could trade the fancy cars For a chance today it's incomparable I might be sitting with the movie stars Everybody say that I have it all

But I can't make you love me Is it my life or the things I do? Can't make you love me I'm just a girl with a crush on you

I have been through changes, yeah But I'm still the girl you used to know It's made me no different So tell me why you had to go Oh baby, I will trade the fancy cars For a chance today, it's incomparable I might be sitting with the movie stars Everybody say that I just have it all

But I can't make you love me Is it my life or the things I do? Can't make you love me I'm just a girl with a crush on you

Just the thought of being close to you It's incomparable Should be happy with the life I live And the things I do Seems like I have it all

Can't make you, make you love me baby It's my life, what can I do? Can't make you love me, alright I'm just a girl with a crush on you

But I can't make you love me Is it my life or the things I do? Can't make you love me I'm just a girl with a crush on you

I'm just a girl with a crush on you
