

# Circus

Britney Spears

1. There's only two types of people in the world  
The ones that entertain, and the ones that observe  
Well baby I'm a 'put on a show' kinda girl  
Don't like the backseat, gotta be first

I'm like the ringleader  
I call the shots (call the shots)  
I'm like a firecracker  
I make it hot (make it hot)  
When I put on a show

I feel the adrenaline moving through my veins  
Spotlight on me and I'm ready to break  
I'm like a performer, the dancefloor is my stage  
Better be ready, hope that you feel the same

R: All eyes on me in the center of the ring  
Just like a circus  
When I crack that whip, everybody gonna trip  
Just like a circus  
Don't stand there watching me, follow me  
Show me what you can do  
Everybody let go, we can make a dance floor  
Just like a circus

2. There's only two types of guys out there  
Ones that can handle me, and the ones that are scared  
So baby, I hope that you came prepared  
I run a tight ship, so beware

I'm like the ringleader...

I feel the adrenaline...

R: All eyes on me...

Let's go  
Let me see what you can do  
I'm running this (like, like a circus)  
Yeah, like a what (like a circus)

R: All eyes on me... (2x)
