

# Deep In My Heart

Britney Spears

Oh, I want you for the rest of my life

Walking through time  
Looking for an answer  
How can it be this way?  
What have I done?  
I just can't help but wonder  
How everything could change

Cause you've turned my world around  
Since you came along, know  
After this love is found  
It seems like we can't go wrong

Deep in my heart I know there's only you  
And right from the start I always knew  
I'll never let go, cause I love you so  
Oh, I want you for the rest of my life  
(uh huh)  
(oh yeah)

Some people search  
What seems to be a lifetime  
To find a love like this (oh yeah)  
And here we are  
With everything we've wished for  
I've never felt such bliss (oh no)

Cause you've turned my world around  
Since you came along  
After this love is found  
It seems like we can't go wrong

Deep in my heart I know there's only you  
And right from the start I always knew  
I'll never let go, cause I love you so  
Oh, I want you for the rest of my life  
(oh yeah)  
(uh huh)

There comes a chance  
In everyone's life  
And I believe it wont happen twice  
Now since I've felt the glory of love  
I wanna spend forever  
And ever with you

Deep in my heart I know there's only you (only you)  
And right from the start I always knew  
I'll never let go, cause I love you so (I love you so)  
Oh, I want you for the rest of my life

Deep in my heart I know there's only you (only you, only you, oh oh)  
And right from the start I always knew  
I'll never let go, cause I love you so (oh oh, I want you in my life)  
Deep in my heart  
Deep in my heart

Oh, I want you for the rest of my life  
I want your love forever

Oh, I want you for the rest of my life
