

# Do You Wanna Come Over?

Britney Spears

(Uh-huh)

What?

Say you feel alone

That your day was the baddest

Tellin' me you can't sleep because of your mattress

Do you wanna come over? (Yeah)

Do you wanna come over? (Yeah)

Let me rub your back

You can set limitations

Honey if you want we can get out frustrations

Do you wanna come over? Just let me know

Do you wanna come over? (Yeah)

Cause nobody should be alone if they don't have to be

Nobody should be alone if they don't have to be

Nobody should be alone if they don't have to be

Should be alone if they don't have to be

So...

Whatever you want (Whatever you want)

Whatever you need (Whatever you need)

I'll do it (uh-huh)

I'll do it (uh-huh)

Whatever you want (Whatever you want)

Whatever you need (Whatever you need)

I'll do it (uh-huh)

I'll do it (uh-huh)

Do you wanna come over?

I could get into that kissin' and touchin'

Or we could be good and do next to nothin'

Do you wanna come over? (Yeah)

Do you wanna come over? (Yeah let me know)

Cause all I want, is what you want

And all you want is me

Yeah, all you want, is what I want

And all I want is you (yeah)

Cause nobody should be alone if they don't have to be

Nobody should be alone if they don't have to be

Nobody should be alone if they don't have to be

Should be alone if they don't have to be

So...

Whatever you want (Whatever you want)

Whatever you need (Whatever you need)

I'll do it (uh-huh)

I'll do it (uh-huh)

Whatever you want (Whatever you want)

Whatever you need (Whatever you need)

I'll do it (uh-huh)

I'll do it (uh-huh)

Do you wanna come over?

Cause all I want, Is what you I want

And all you want Is me  
Yeah, all you want, Is what I want  
And all I want Is you  
Just come over

Whatever you want (Whatever you want)  
Whatever you need (Whatever you need)  
I'll do it (uh-huh)  
I'll do it (uh-huh)  
Whatever you want (Whatever you want)  
Whatever you need (Whatever you need)  
I'll do it (uh-huh)  
I'll do it (uh-huh)  
Do you wanna come over?

Whatever you want  
Whatever you need  
Do you wanna come over?
