

# Heart

Britney Spears

Heart,  
I know i've been hard on you.  
I'm sorry for the things I put you through.  
Before you start to break on me,  
Or ask for sympathy I need to make you see.  
Oh, heart  
I'm not sure it's been long enough  
To say that what I feel is really love  
There is just one way to learn  
Sometimes we'll get hurt  
And right now it's our turn.

Give it time, help me through.  
Heart, we can do this together.

Your my strength, your my soul.  
I need you now more then ever

Heart,  
All the hurt will soon be gone,  
If you'll just keep on being strong.  
You will always be my friend  
So keep on hanging on  
And we'll find love again

Give it time, help me through.  
Heart, we can do this together

Your my strength, your my soul.  
I need you now more then ever

Heart  
I know i've been hard on you  
I'm sorry for the things I put you through  
Please don't you break on me  
I need to make you see, it wasn't meant to be  
'Cause you will always be my friend  
So keep on hanging on,  
And we'll find love again.
