## **Heaven On Earth**

Your touch Your taste Your breath Your face Your hands Your head You're sweet Your love Your teeth Your tongue Your eye You're mine You're mine You're fine You're heaven on earth

I've waited all my life for you My favourite kiss Your perfect skin Your perfect smile

Waking up and you're next to me Wrap me up in your arms and back to sleep Lay my head on your chest and drift away Dream of you and I'm almost half awake

(The palest green I've never seen The colour of your eyes You've taken me so far away One look and you stop time)

Fell in love with you and Everything that you are Nothing I can do I'm really Crazy about you When you're next to me

It's just like heaven on earth You're heaven You're heaven on earth

Tell me that I'll always be the one that you want Don't know what I'd do if I ever lose you Look at you and what I see is heaven on earth I'm in love with you

Your breath Your face Your hands Your head You're sweet Your love Your tongue

I'd move across the world for you Just tell me when Just tell me where I'll come to you

Take me back to that place in time Images of you occupy my mind Far away but I feel you hear with me Dream of you and you're almost next to me

(The palest green I've never seen The colour of your eyes You've taken me so far away One look and you stop time)

Fell in love with you and Everything that you are Nothing I can do I'm really Crazy about you When you're next to me It's just like heaven on earth You're heaven You're heaven on earth

Tell me that I'll always be the one that you want Don't know what I'd do if I ever lose you Look at you and what I see is heaven on earth I'm in love with you

I'm in love with you I said I'm so in love I said I'm so in love So in love

Fall off the edge of my mind I fall off the edge of my mind For you I fall off the edge of my mind I fall off the edge of my mind For you

Fell in love with you and Everything that you are Nothing I can do I'm really Crazy about you When you're next to me It's just like heaven on earth (So in love) You're heaven You're heaven on earth

Tell me that I'll always be the one that you want Don't know what I'd do if I ever lose you Look at you and what I see is heaven on earth I'm in love with you

I'm so in love I'm so in love

I fall off the edge of my mind (I'm so in love) When I just look at you I feel like I'm gonna jump into heaven (So in love) And you'll catch me Catch me if I jump Will you catch me?
