

# (I've Just Begun) Having My Fun

Britney Spears

Here is a little story that I made up  
So Let's make believe  
Four years ago I had a party  
that was too much fun for me  
Boy there's a sexy guy  
He said he'd give me everything i need  
Sometimes I let temptation go too far  
and get the best of me  
All I gotta say is  
I just wanna have some fun  
And I'll do it until I'm done  
I'm telling you  
I'm just a crazy kind of girl  
I'll tell it to the world  
I've just begun having my fun (yeah)  
Inside me there's something I found  
I wanna shop around  
I just begun  
Don't wanna settle down  
The conversation was going no where 'til I turned my hair  
He started touching me and kissing me  
Like he didn't care  
I thought at first I should go home  
But then fell asleep in the chair  
All I gotta say is  
I just wanna have some fun  
And I'll do it until I'm done  
I'm telling you  
I'm just a crazy kind of girl  
I'll tell it to the world  
I've just begun having my fun (yeah)  
Inside me there's something I found  
I wanna shop around  
I just begun  
Don't wanna settle down  
I'm just a crazy kind of girl  
I'll tell it to the world  
I've just begun having my fun (yeah)  
Inside me there's something I found  
I wanna shop around  
I just begun  
Don't wanna settle down  
I just wanna have a good time  
I just wanna be myself  
And don't let nobody tell you it's any differantly  
I wanna enjoy the sunshine  
And do the things that I need  
To see what feels good to me  
I'm just so crazy  
I'm just a crazy kind of girl  
I'll tell it to the world  
I've just begun having my fun (yeah)  
Inside me there's something I found  
I wanna shop around  
I just begun  
Don't wanna settle down  
I just begun

I just begun  
having my fun  
I just begun  
Having my fun, yeah!
