

## Lace And Leather

Britney Spears

French fingertips, Red lips  
Bitch is dangerous  
Cotton candy kiss  
Can't wait for my sugar rush

Can't take it no more  
I got to have more tonight  
This feelings so strong  
I'm putting you on tonight

(Alright! Let's Go!)

Baby take a seat, eyes on me,  
this is my show  
Your one and only pleasure  
All decked in lace and leather  
Fantasy, courtesy, on me  
Baby let's go  
Watch me apply the pressure  
All decked in lace and leather

Heels 6-inch  
Makes a boy want  
to bite his lip  
Look but don't touch  
Unless you want  
to lose your innocence

Can't take it no more  
I got to have more tonight  
This feelings so strong  
I'm putting you on tonight

Baby take a seat, eyes on me,  
this is my show  
Your one and only pleasure  
All decked in lace and leather  
Fantasy, courtesy, on me  
Baby let's go  
Watch me apply the pressure  
All decked in lace and leather  
(2x)
