I need time (time)  
Love (love)  
Joy (joy)  
I need space  
I need me  
(Action! )

Say hello to the girl that I am!  
You're gonna have to see through my perspective  
I need to make mistakes just to learn who I am  
And I don't wanna be so damn protected  
There must be another way  
'Cause I believe in taking chances  
But who am I to say  
What a girl is to do  
God, I need some answers

What am I to do with my life?  
(You will find it out don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected

I tell 'em what I like  
What I want  
And what I don't  
But every time I do I stand corrected  
Things that I've been told  
I can't believe what I hear about the world, I realize  
I'm Overprotected

There must be another way  
Cause I believe in taking chances  
But who am I to say  
What a girl is to do  
God, I need some answers

I can't help the way (help the way I feel) I feel  
But my life has been so overprotected

I need... time (love)  
I need... space  
(This is it, this is it)

I don't need nobody tellin' me just what I wanna  
What I what what what I'm gonna (I need)  
Do about my destiny  
I Say No, No  
Nobody's tellin' me just what what what I wanna do, do  
I'm so fed up with people tellin' me to be  
Someone else but me
