I need time (time) Love (love) Joy (joy) I need space I need me (Action!)

Say hello to the girl that I am! You're gonna have to see through my perspective I need to make mistakes just to learn who I am And I don't wanna be so damn protected There must be another way 'Cause I believe in taking chances But who am I to say What a girl is to do God, I need some answers

What am I to do with my life? (You will find it out don't worry) How am I supposed to know what's right? (You just gotta do it your way) I can't help the way I feel But my life has been so overprotected

I tell 'em what I like What I want And what I don't But every time I do I stand corrected Things that I've been told I can't believe what I hear about the world, I realize I'm Overprotected
