

Touch Of My Hand

Britney Spears

I`m not ashamed of the things that I dream
I find myself flirting with the verge of obscene
Into the unknown, I will be bold
I`m going to places I can be out of control

And I don't want to explain tonight
All the things Ive tried to hide
I shut myself out from the world so I
Can draw the blinds and I'll teach myself to fly

I love myself
Its not a sin
I can't control what's happenin

Cause I just discovered
Imaginations taking over
Another day without a lover
The more I come to understand
The touch of my hand

From the small of my back and the arch of my feet
Lately Ive been noticin the beautiful me
I`m all in my skin and Im not gonna wait
I`m into myself in the most precious way

And I don't want to explain tonight
All the things Ive tried to hide
I shut myself out from the world so I
Can draw the blinds and I'll teach myself to fly

Cause I just discovered
Imaginations taking over
Another day without a lover
The more I come to understand
The touch of my hand

There's a world undefined
And my body is mine
I wont be left behind
I`m already here

Cause I just discovered
Imaginations taking over
Another day without a lover
The more I come to understand
The touch of my hand

Cause I just discovered
Imaginations taking over
Another day without a lover
The more I come to understand
The touch of my hand
