

What You Need

Britney Spears

I got what you want, I got what you need
Bringing out the fire inside of me
I got what you want, I got what you need
Bringing out the diva that lives in me
I got what you want, I got what you need
Yeah, yeah, yeah, yeah
I got what you want, I got what you need
Yeah, yeah, yeah

One time just ain't enough, won't let this fade
I got that good, good stuff you can't erase
[Pre-Chorus]
Give you what you want, I'm a certified service
Run up in your home lay a bad [?] burns
Nothing here to hide, want you 24/7
Keep you satisfied with your new obsession

I got what you want, I got what you need
Bringing out the fire inside of me
I got what you want, I got what you need
Bringing out the diva that lives in me
I got what you want, I got what you need
Yeah, yeah, yeah, yeah
I got what you want, I got what you need
Yeah, yeah, yeah

My love go nine to five, to satisfy
Guns off to the finish line, it's winner's time

Give you what you want, I'm a certified service
Run up in your home lay a bad [?] burns
Nothing here to hide, want you 24/7
Keep you satisfied with your new obsession

I got what you want, I got what you need
Bringing out the fire inside of me
I got what you want, I got what you need
Bringing out the diva that lives in me
I got what you want, I got what you need
Yeah, yeah, yeah, yeah
I got what you want, I got what you need
Yeah, yeah, yeah

Don't know just what you started
Take a chance, let me roll the dice
No risk cause you know I got it
Slight of hand, let me blow your mind
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Hoo, hoo, hoo, hoo...hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo...hoo, hoo, hoo, hoo
I got you, I got you, I got you, I got you...
I got you, I got you, I got you, I got you
Baby I got what you, baby I got what you want
Baby I got what you, baby I got what you want

Baby I got what you, baby I got what you want
Baby I got what you, baby I got what you
That was fun
