

# You Got It All

Britney Spears

Ooh...  
Ooh...  
Yeah...

I...  
I was the game he would play  
He brought the clouds to my day  
Then like a ray of light  
You came my way one night  
Just one look and I knew  
You would make everything clear  
Make all the clouds disappear  
Put all your fears to rest  
Who do I love the best  
Don't you know  
Don't you know

You've got it all over him  
You got me over him  
Honey it's true  
There's just you  
You must have been heaven sent  
Hearing me call  
You were out on a limb

And you're all that he's not  
Just look what I've got  
'Cause you've got it all  
Over him  
All over  
You've got it all over  
All over  
You've got it all over

Now, don't let him worry you so  
Once I met you  
I let go  
Oh you can surely see  
You're so much more to me

Just one look and I knew  
You would make everything clear  
Make all the clouds disappear  
You're better than all the rest  
Who do I love the best (yeah...)  
Don't you know  
Don't you know

You've got it all over him  
You got me over him  
Honey it's true (so true)  
There's just you  
You must have been heaven sent  
Hearing me call  
You went out on a limb

And you're all that he's not (all that he's not)

Just look what I've got (look what I've got)  
'Cause you've got it all (you've got it all)  
All over him

You've got it all over him  
You got me over him  
Honey it's true (so true)  
There's just you  
You must have been heaven sent  
Hearing me call  
You went out on a limb (out on a limb)

And you're all that he's not (all that he's not)  
Just look what I've got (look what I've got)  
'Cause you've got it all (you've got it all)  
Over him

All over  
You've got it all over  
All over (uh, huh)  
You've got it all over  
Him....yeah....
