

# Far Enough

Britny Fox

Forasmuch as many have taken in hand  
To set forth in order a declaration  
Of those things  
Which are most surely believed among us...

To an inheritance incorruptible,  
And undefiled, and that fadeth not away  
Reserved in heaven for you...

Blind eyes  
Soul dies  
It's gone far enough

Dead souls  
Unfold  
It's gone far enough
