

Gud'buy T' Jane

Britny Fox

Gudbuy t' Jane, gudbuy t' Jane she's a dark horse if she can.
Gudbuy t' Jane, gudbuy t' Jane painted up like a fancy young man.

She's a queen, can't you see what I mean.
She's a queen, see see she's a queen and I know
She's alright, alright, alright, alright.

I say she's so young, she's so young

I said gudbuy t' Jane, gudbuy t' Jane. Get's a kick from her footies trip boots.
Gudbuy t' Jane, gudbuy t' Jane has them made to match up her suits.

Gudbuy t' Jane, gudbuy t' Jane like a dark horse see how she ran.
Gudbuy t' Jane, gudbuy t' Jane sneaks on me cause she knows she can.

See see see see see she's a queen and I know.
