

Livin' On The Edge

Britny Fox

Hey, yeah!
I said I'm walking down

This ain't the same old song

Can you hear what's in
My life
We live our lives
And fight the night

Livin' On the Edge

I pay my dues
And work my job

I'd rather play
And sing my songs

Can you hear what's in
My life
We live our lives
And fight the night
