

She's So Lonely

Britny Fox

Baby, baby, love for sale, you can't buy me
You're so lonely, take me on

Oh oh, take my hand
You said you want me in command
Oh oh, you won't calm down
Oh, please settle down

'Cause she's so lonely, so lonely, so lonely
'Cause she's so lonely, she begged to me
I said, "She's so lonely, so lonely, so lonely"
'Cause she's so lonely, she begged to me

Baby, baby, love, tick me, want me yea
I'm so lonely, switch me on

Our love plays like a band
Sometimes you're used by vulture hands
Oh oh we want it now
You need somehow

'Cause she's so lonely, so lonely, so lonely
'Cause she's so lonely, she begged to me
I said, "She's so lonely, so lonely, so lonely"
'Cause she's so lonely, she begged to me
Lonely

Baby, baby, love for sale, you can't buy me
You're so lonely, take me on

Oh oh, take my hand
You said you want me in command
Oh oh, you won't calm down
Oh, please settle down

'Cause she's so lonely, so lonely, so lonely
'Cause she's so lonely she begged to me
I said, "She's so lonely, so lonely, so lonely"
'Cause she's so lonely she begged to me
She's so lonely, so lonely, so lonely
She's so lonely, so lonely, so lonely
'Cause she's so lonely she begged to me, yea
