

## Stone Cold Crazy

Britny Fox

Sleeping very soundly on a Saturday morning  
I was dreaming I was Al Capone  
There's a rumour going round  
Gotta clear outa town  
I'm smelling like a dry fish bone  
Here come the law gonna break down the door  
Gonna carry me away once more  
Never never I never want it anymore  
Gotta get away from this stone cold floor  
Crazy stone cold crazy you know

Rainy afternoon I gotta blow a typhoon  
And I'm playing on my slide trombone  
Anymore anymore cannot take it anymore  
Gotta get away from this stone cold floor  
Crazy stone cold crazy you know

Walking down the street  
Shooting people that I meet  
With my rubber Tommy water gun  
Here come the deputy  
He's gonna come and get me  
I gotta get me up and run  
They got the sirens loose  
I ran right outa juice  
They're gonna put me in a cell  
If I can't go to heaven  
Will they let me go to hell?  
Crazy stone cold crazy you know
