You're out-dated

Get a reason to kick it down

You gotta feel it

Crank it up till the killer's out

You got the fever Over-loaded on the heat again You're taking either Reachin' up for your number 10

Turn on Higher than you ever wanted Turn on Higher than you ever needed

You got this trouble
Falling off what you're hangin' on
You got to get her
Save the girl right before the dawn

You got the answer Shine a light from inside your head You win the dancer Now we all rock the world again

Turn on Higher than you ever wanted Turn on Higher than you ever needed

Turn on Higher than you ever wanted Turn on Higher than you ever needed

Turn on
Higher than you ever wanted
Turn on
Higher than you ever needed
