

All This Time

Britt Nicole

I remember the moment
I remember the pain
I was only a girl
But I grew up that day
Tears were falling
I know You saw me

Hiding there in my bedroom
So alone
I was doing my best
Trying to be strong
No one to turn to
That's when I met You

All this time
From the first tear cried
'Til today's sunrise
And every single moment between
You were there
You were always there
It was You and I
You've been walking with me all this time
Oh, oh, oh, yeah
You've been walking with me all this time

Ever since that day
It's been clear to me
That no matter what comes
You will never leave
I know You're for me
And You're restoring

Every heartache and failure
Every broken dream
You're the God who sees
The God who rescued me
This is my story
This is my story-----

All this time
From the first tear cry
'Til today's sunrise
And every single moment between
You were there
You were always there
It was You and I
You've been walking with me all this time
Ooooooooooh
You've been walking with me all this time

I hear these people asking me
How do I know what I believe?
Well I'm not the same me
And that's all the proof I need
I felt love, I felt Your grace
You stole my heart that day

Ooooooooooh
You've been walking with me all this time

All this time
From the first tear cry
Till today's sunrise
And every single moment between
You were there
You were always there
It was You and I
You've been walking with me all this time

Ever since the first tear cry
It was You, You and I
You've been walking with me all this time
Ever since the first tear cry
It was You, You and I
You've been walking with me all this time
