

Amazing Life

Britt Nicole

It's a beau-beau-beautiful world we've been given
From the top of the sky to the ocean
I'll never understand it all (understand it all)
It must be supernatural

It's a ma-ma-magical thing, a starry night
Feel, feel so small under a billion lights
Never understand it all (never understand it all)
It must be supernatural

Amazing life Flying higher than I've ever dreamed
From the top of the world I could scream
Amazing life
It's a colorful, colorful world painted so bright
Gonna walk on air, gonna take flight
I'll never understand it all (never understand it all)
It must be supernatural

I wanna drink, drink, drink every drop of sunshine
Got a smile on my face, I won't apologize
I'll never understand it all (never understand it all)
It must be supernatural

Amazing life Flying higher than I've ever dreamed
From the top of the world I could scream
Amazing life
You're the burning in my heart that never dies, never dies
Without you here my world is black and white, black and white
Like a show without a stage
Like a storm without the rain
You are the one I can't replace
Need you by my side
Need you by my side

You're the reason for this amazing...
Amazing life
Amazing life Flying higher than I've ever dreamed
From the top of the world I could scream
Amazing life
