## **Set The World On Fire**

## **Britt Nicole**

I wanna set the world on fire Until it's burning bright for You It's everything that I desire Can I be the one You use?

I, I am small but
You, You are big enough
I, I am weak but
You, You are strong enough to

Take my dreams

Come and give them wings

Lord with You

There's nothing I cannot do

Nothing I cannot do

I wanna feed the hungry children And reach across the farthest land And tell the broken there is healing And mercy in the Father's hands

I, I am small but
You, You are big enough
I, I am weak but
You, You are strong enough to

Take my dreams

Come and give them wings

Lord with You

There's nothing I cannot do

Take my dreams

Come and give them wings

Lord with You

There's nothing I cannot do

My hands, my feet My everything My life, my love Lord, use me

I wanna set the world on fire Wanna set the world on fire, yeah

Take my dreams

Come and give them wings

Lord with You

There's nothing I cannot do, no

Take my dreams

Come and give them wings

'Cause Lord with You

There's nothing I can't do

Nothing I can't do

I'm gonna set the world on fire Set the World on fire
