

Stand

Britt Nicole

I wake up to another day
I don't know if I can face
All the fears that are staring me down
Yeah, I'm trying to be brave
But I'm a thread about to fray
I want to stand, but I don't know how
I look U-UP!
and all I see is Your love holding me

When I feel like giving up
When my heart has hurt too much
Feels like i've reached the end
No, I won't turn and run
This battle will be won
When I've done all I can
I stand, stand, stand
I stand, stand, stand

Some days I lose my place
It's a fight to keep my faith
But, You are with me
I am not alone, noooo
When all around my world gives way
Tossed like an ocean wave
You are my rock when the storm clouds blow
I look up
And all I see is Your love holding me

When I feel like giving up
When my heart has hurt too much
Feels like i've reached the end
No, I won't turn and run
This battle will be won
When I've done all I can
I stand, stand, stand
I stand, stand, stand

On Your promise, I will stand
All other ground is sinking sand

On Your promise, I will stand
All other ground is sinking sand
Sinking sand
Oh woah,
It's sinking, sinking,
Yea yeah, yeah

When I feel like giving up
When my heart has hurt too much
Feels like i've reached the end
No, I won't turn and run
This battle will be won, yeahhhh

So I'll stand, stand, stand,
I stand, stand, stand
I stand, stand, stand
