

# Walk On The Water

**Britt Nicole**

You look around and staring back at you  
Another wave of doubt  
Will it pull you under  
You wonder  
What if I'm overtaken  
What if I never make it  
What if no one's there  
Will you hear my prayer  
When you take that first step into the unknown  
You know that He won't let you go

So what are you waiting for?  
What do you have to lose?  
Your insecurities  
They try to hold to you  
But you know you're made for more  
So don't be afraid to move  
Your faith is all it takes  
And you can walk on the water, too

So get out and let your fear fall to the ground  
No time to waste, don't wait  
And don't you turn around, and miss out on  
Everything you were made for  
Gotta be, I know you're not sure,  
So you play it safe, you try to run away  
If you take that first step into the unknown  
He won't let you go

So what are you waiting for?  
What do you have to lose?  
Your insecurities  
They try to hold to you  
But you know you're made for more  
So don't be afraid to move  
Your faith is all it takes  
And you can walk on the water, too

Step out, even when it's storming  
Step out, even when you're broken  
Step out, even when your heart is telling you, telling you to give up  
Step out, when your hope is stolen  
Step out, you can't see where you're going  
You don't have to be afraid

So what are you waiting, what are you waiting for?

So what are you waiting for?  
What do you have to lose?  
Your insecurities  
They try to hold to you  
But you know you're made for more  
So don't be afraid to move  
Your faith is all it takes  
And you can walk on the water, walk on the water, too
