

## Toast To M

Britta Persson

What is the difference between me and you?  
Why am I having this dance and why aren't you?  
When did you make up your mind?  
Was your final your first try?

Do you remember collecting ladybugs?  
Do you remember taking your bike for a ride?  
I picture you on your skateboard  
Is it because I've got it taped on video?

We don't hold your suicide against you  
Here's a toast and fireworks coming towards you  
We don't hold your suicide against you  
Here's a toast and fireworks  
Coming towards you

Twenty eight 2008  
You wanted to rest so badly you couldn't wait  
Now you'll be dead for millions of years  
We'll come join  
In a couple of cheers

Do you remember collecting ladybugs?  
Do you remember taking your bike for a ride?  
I picture you on your skateboard  
Is it because I've got it taped on video?

We don't hold your suicide against you  
Here's a toast and fireworks coming towards you  
We don't hold your suicide against you  
Here's a toast and fireworks  
Happy New Year!
