

Never Stop

Bro'Sis

If we believe in the power
That's deep within
We can forever change this world
And if we imagine
That dreams can really come true
Faith will take us to the top
Faith will take us to the top
Refrain:

Never stop fighting
Never stop dreaming
Never stop trying
Don't give up
Never stop thinking
Wishful thinking
Cause if we really wanna win
Never stop
Let's stay together
Whatever might come our way
Hand in hand we'll stand
Until the end (3x)

(We'll stand until the end)
Never stop fighting
Never stop dreamng
Never stop trying
Don't' give up
Never stop thinking
Wishful thinking
Cause if we really wanna win
If we really wanna win (3x)
Here we come

Spread the world
We gonna fight
And we gonna win (yeah)
Side by side you and I
We'll never stop
Never stop
Refrain...
